FILMING AND REPRODUCTION AGREEMENT

This Agreement is entered into this 4 day of June, 2018 by and between CNE Productions LLC ("Producer"), on the one hand and the Los Angeles County Museum of Natural History Foundation, a California public-benefit corporation ("NHM") in connection with the audio-visual production currently entitled "Every X&Y – Every Dinosaur in the Jurassic Movies" (the "Project").

Video Photography Permission: NHM shall permit Producer to film video or photographs (the "Footage"), as may be determined by the NHM's Marketing and Communications Department on June 5, 2018. The Footage shall be taken only at locations and such time and place as are agreed to in advance by the NHM's Marketing and Communications Department or its representative Unreel Productions, which also shall be present during the photography.

Ownership and Use of Footage and Copyrights:
Producer shall be the exclusive author, owner and copyright proprietor of all the photography, sound recordings filmed materials, and the Footage ("Results and Proceeds") relating to Producer's use of the property and may exploit, distribute and use all such Results and Proceeds in such manner, media and in any films or programs, including, without limitation, in any advertising, marketing, publicity, promotions or other materials throughout the universe in perpetuity, in all media now known or hereafter devised. NHM on its own behalf and on behalf of any tenant having any interest in the property. Producer may assign, transfer, license, or grant all or any part of Producer's rights in the Results and Proceeds hereunder to any person, entity or third party distributor. Nothing contained in this Agreement shall be construed as obligating Producer to actually use the property or include the Results and Proceeds filmed pursuant to this Agreement.

In the event the Project incorporate any artifacts or other material that may be subject to copyright or other intellectual property rights (including the likeness or voice of any individual) of any third parties, Producer shall be responsible for determining the owner of any such rights and obtaining permission for use of such material.

Fee: NHM hereby waives its location fee for the filming described above. Any other use of the Footage not contemplated herein shall be subject to a separate agreement of the parties.

Insurance and Indemnity: Producer shall provide proof of liability insurance, naming the Los Angeles County Museum of Natural History Foundation and the County of Los Angeles as additional named insureds, in the amount of at least $2,000,000 upon request. In addition, Producer shall hold harmless and indemnify the Natural History Foundation and the County of Los Angeles, from any third party claims, costs, or expenses of any nature related to or arising out of the photography or the license granted by the NHM, including, without limitation related to or arising out of any physical damage to property of the NHM, or any third party or infringement of any rights owned by the NHM, or others or through uses of the Footage or Production in any manner not permitted under this Agreement.

NOT A PERMIT

Governing Law; Jurisdiction and Venue; Non-Assignment; Independent Contractor: NHM and Producer hereby agree that this Agreement shall be governed by the laws of the State of California and the copyright laws of the United States and that any action arising out of this Agreement shall be brought exclusively in Federal or California courts in Los Angeles County, California. In connection with any dispute related to this Agreement, Producer and NHM, hereby submit to the jurisdiction and venue of such courts. Producer may not assign this Agreement or any of the rights granted to it under it without the advance written consent of NHM. NHM and Producer agree that Producer is an independent contractor and that this Agreement does not create a joint venture or partnership relationship.

IN WITNESS WHEREOF, NHM, and Producer have caused this Agreement to be executed on their behalf as of the date first written above.
